Sir:

The Determination of Patent Term Adjustment (mailed with the Notice of Allowance on July 9, 2008) indicates a patent term adjustment of 751 days. Pursuant to the duty of candor and MPEP § 2733, the undersigned brings the following to the attention of the Office. In response to the final office action mailed February 20, 2008, Applicants filed an amendment on April 20, 2008, which amendment was subsequently entered. On June 20, 2008, the Examiner contacted the undersigned to suggest the further amendment that was ultimately entered as the Examiner's amendment set forth in the Notice of Allowance. Authorization for that Examiner's amendment was provided by the undersigned on July 2, 2008. Although it is not believed that modification of the Patent Term Adjustment is required, the above facts are disclosed in an abundance of caution.

Respectfully submitted,

BANNER & WITCOFF, LTD.
